

CasinoRewards.com to Expand Online Casino Empire

19th online casino soon to be showcased by award winning CasinoRewards.com.

Las Vegas, NV ([PRWEB](#)) August 21, 2008 -- 2008 has seen the Casino Rewards group of online casinos go from strength to strength. Keeping its ever growing player-base happy with numerous 5 figure payouts including the now much-publicized \$5.5 million jackpot win by one Klaus E. of Finland in April, and acquiring 6 new online casinos to bring the total to 18, CasinoRewards.com is basking in its glory as one of the largest Microgaming casino operators in the Internet.

To further cement its position as market leader, Casino Rewards will unveil a brand new online casino in November 2008, to join BlackjackBallroom.com, CasinoClassic.com, CaptainCooksCasino.com and the 15 other award winning online establishments, to bring the total to an impressive 19. With over 280 games at each casino and different themes to suit every taste, anticipation grows to see the latest offering from Casino Rewards.

One thing is for sure - no matter how extravagant and appealing, the as un-named online casino will have some way to come to take the limelight from its brothers, most notably GoldenTigerCasino.com which has been in the news lately, pioneering an enormous international CD campaign, not to mention of course the aforementioned multi-million dollar jackpot win by Klaus E. The recently refurbished and now multi-lingual Golden Tiger Casino offers an incredible \$1,500 free sign up bonus, and one hour to use the massive sum to win as much as possible. After the hour elapses, any winnings may be used in the [online casino](#) as a real player to aim for the enormous and ever-growing progressive jackpots. The player's favorite, Mega Moolah, is currently sitting just shy of a life-changing \$4 million!

Golden Tiger Casino features all the latest Las Vegas style casino games, including [free slots](#), blackjack, video poker, and roulette. With players spoilt for choice by ever present online casino offers, Golden Tiger Casino continues to make the choice easier with its latest \$1,500 offering, and leads the pack in terms of quality and support. However, who knows what the latest online casino offering from Casino Rewards will bring - in November, all will be revealed.
