

Adpole.com Launches Free ClickBank Affiliate Widget for Business Opportunity Blogs and Websites

ClickBank affiliate marketers that operate business opportunity oriented blogs and websites now have a new free tool they can use to boost their affiliate revenue. Adpole.com enables ClickBank affiliates to quickly and easily monetize unused space on their business opportunity themed blogs and websites while focusing on providing excellent content to their visitors.

Lehigh Valley, PA ([PRWEB](#)) October 28, 2008 -- Adpole.com has recently launched a free ClickBank affiliate widget designed to help ClickBank affiliate marketers make more money. ClickBank affiliates who operate business opportunity blogs and websites can quickly and easily sign-up for a free Adpole.com account simply by providing their ClickBank affiliate ID and their primary e-mail address.

Home based business opportunity blogs and websites are flourishing as tens of thousands of people flock to the Internet in search of ways to generate additional income for themselves and their families. In addition to pay-per-click contextual advertising and CPM based banner rotations, business opportunity themed blog and website publishers are seeking more ways to quickly and easily monetize unused space their sites.

Adpole.com provides a highly optimized one-stop solution that can work side-by-site with popular pay-per-click contextual advertising networks such as Google AdSense and Yahoo Publisher Network as well as with CPM based banner rotation networks.

Affiliate commission payouts across the Adpole.com network are 50% and are tracked, computed, and paid directly by ClickBank to affiliates via check or direct deposit. This translates into a safe and secure way for ClickBank affiliates to quickly and easily start making more money.
