

New Global Cash Flow Network Website Takes the Stress Out of Starting an Internet Business

New website [24hourwebcash.com/santone4258](http://www.24hourwebcash.com/santone4258) makes starting a home-based internet business a breeze. Universally recognized as a leader in internet business, Global Cash Flow Networks provides the knowledge needed to build a solid, lucrative cash flow.

Tampa, FL (PRWEB) September 15, 2008 -- With a severe downturn in the economy, recently launched Global Cash Flow Network website www.24hourwebcash.com/santone4258 is giving individuals a way to supplement their income through a home-based internet business.

Building a profitable enterprise on the web provides additional income and the ability to work from home. However, without adequate training, financing, and marketing, 95 per cent of internet businesses fail within a year. The new [Global Cash Flow Network](#) website offers a wealth of information on starting a successful Internet business and adopting multiple marketing strategies.

[Global Cash Flow Network](#) not only provides clients with a proven template from which to build a business, but also experience, an education system, and mentorship to help clients grow their Internet endeavors into successful ventures.

Mary Gerten of Global Cash Flow Network has dedicated herself to ensuring that all affiliated Internet businesses not only survive, but thrive. In addition to personally instructing clients on the how-to's of media placement, Gerten has made her entire staff available to answer questions and provide guidance to all Global Cash Flow Network business owners.

Clients can be assured that when they call 1-800-719-8268 extension 23483 for help, a live person will answer the phone who is more than willing and able to answer questions.

A series of business ideas, ebooks, web training, and more serve to help clients achieve their business goals in a practical and feasible manner. For those who dream of firing their boss and following their lives' passions, start by visiting Global Cash Flow Network's website.

Unlike most get-rich-quick schemes that circulate the Internet, Global Cash Flow Network does not promise to make anyone an instantaneous web sensation. Succeeding in the world of online network marketing takes effort, the ability to learn new concepts and ideas, plus a good Mentor, which is exactly what individuals find with Global Cash Flow Network.
