Galfand Berger LLP Launches New Website

Galfand Berger welcomes users to their new site.

Philadelphia, PA (PRWEB) September 18, 2017 -- For the past year, Galfand Berger has been working to redesign its home on the internet, which will offer an in-depth view of the firm’s services and the firm’s vast experience. With offices centrally located in Philadelphia and throughout Pennsylvania, Galfand Berger LLP is renowned for protecting the rights of injured workers, individuals, and consumers.

The firm has taken great care in creating the website’s new design, with special focus on conveying the firm’s mission, its history of verdicts and settlements, practice areas, client reviews, and individual attorney biographies. Visitors to the site will also be able to read blog posts, review verdicts and settlements, learn about firm news, and receive free legal resources, including the firm’s Auto Insurance and Workers’ Compensation booklets.

The new, responsive website is compatible on all devices, including cell phones, iPads, notebooks, laptops and desktops. Galfand Berger LLP, whose attorneys have been helping injured people since 1947, places great value on building and maintaining personal relationships with their clients. Areas of practice include car accidents, construction accidents, hand injuries, medical malpractice, nursing home negligence, premises liability, Social Security disability, product liability, and Workers’ Compensation.

The attorneys at Galfand Berger LLP have earned numerous honors and awards, and have won outstanding settlements and verdicts. They are committed to treating their clients with dignity and respect as they guide them to the best possible outcome for their cases. Galfand Berger invites current clients and those seeking representations to visit the new website at http://www.galfandberger.com/ and to explore the firm and to learn about its legal team.

To learn more about Galfand Berger LLP, or to speak to an attorney, please visit http://www.galfandberger.com or call 1-800-222-USWA (8792).
