Corey Hinson & Associates Announces Charlotte Area Charity Event to End Learning Disabilities Associates with Childhood Hunger

Corey Hinson & Associates, a regional provider of insurance assistance and finance management services that works with clients throughout the Carolinas, is embarking on a charity effort to end to childhood hunger and the learning disabilities that often accompany it.

Rock Hill, SC (PRWEB) September 18, 2017 -- Corey Hinson & Associates Insurance & Financial Group, a full service firm in Rock Hill that provides insurance and financial preparation assistance to families in North and South Carolina, is leading a regional charity effort to provide for children in the area struggling with food insecurity and associated learning disabilities.

The Blessings in a Backpack program provides food insecure and underprivileged children with backpacks full of nutritious food. Currently, the Blessings in a Backpack program serves more than 90,000 schoolchildren in 1,000 schools across the country, and one of those schools is Huntingtowne Farms Elementary located in Charlotte, North Carolina.

“More than 16 million children in the US are at risk of hunger, and our goal in helping to support the Blessings in a Backpack program is to ensure all children in Charlotte are well fed and ready to make the most of their educational opportunities,” says Corey Hinson, executive manager and owner of Corey Hinson & Associates.

With the help of his professional staff, Hinson is forging connections with local civic leaders, educators, and policy makers in an effort to galvanize public support for the Blessings in a Backpack program. Additional community outreach efforts will include a full length write up on the charity event in a soon to be released edition of the Corey Hinson & Associates webzine “Our Hometown”: http://www.coreyhinson.com/Our-Hometown-Magazine_39.

This marks the 20th charity event hosted by Corey Hinson & Associates since August of 2015. As a senior affiliate of the nationwide “Agents of Change” charity support coalition, the Hinson team is committed to working with new regional charitable causes on a regular basis.

Corey Hinson & Associates has made this page available for all readers who would like to learn more about how to get involved and help support the Blessings in a Backpack program for children facing food insecurity: http://www.coreyhinson.com/Stepping-Towards-a-Fuller-Future_29_community_cause. A comprehensive roster of all previous charity events sponsored by Corey Hinson & Associates can be reviewed from the agency’s Community Causes roster: http://www.coreyhinson.com/community-cause?page=1.
