(PRWEB) September 18, 2017 -- Azzur Labs has been named one of the Best Places to Work in PA for 2017. The awards program, created in 2000, is one of the first statewide programs of its kind in the country. The program is a public/private partnership between Team Pennsylvania Foundation, the Pennsylvania Department of Community and Economic Development, the Pennsylvania State Council of the Society for Human Resource Management, and the Central Penn Business Journal.

"Individuals are pursuing companies that inspire and support them in achieving purpose and fulfillment," said Kym Faylor, President of Azzur Labs. "This makes it more important than ever for companies to continually strive to lead, empower and encourage."

This survey and awards program was designed to identify, recognize and honor the best places of employment in Pennsylvania, who are benefiting the state's economy and its workforce. Employers are categorized based upon the total number of employees they have in the United States, 15 to 99 employees, 100 to 250 employees, or more than 250 employees.

To be considered for participation, companies had to fulfill the following eligibility requirements:
- Be a for-profit or not-for-profit business
- Be a publicly or privately held business
- Have a facility in Pennsylvania
- Have at least 15 employees working in Pennsylvania
- Be in business a minimum of one year

Companies from across the state entered the two-part process to determine the 100 Best Places to Work in PA. The first part of this process was evaluating each nominated company's workplace policies, practices, philosophies, systems and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process.

Azzur Labs will be recognized at the Best Places to Work in PA awards banquet on Thursday, November 30, 2017, at the Lancaster County Convention Center in Lancaster, PA. Rankings will be revealed at the ceremony. Tickets may be purchased online at http://www.CPBJ.com/events.
