Maternity & Baby Style Expert and Reality TV Star Rosie Pope Partners with MyRegistry.com

Rosie Rope dresses baby bumps, nursing mamas, and their little bundles of joy. Now that her Maternity and Baby brand is part of the MyRegistry.com universal gift registry network, moms across America and their kids can rock her style.

Fort Lee, NJ (PRWEB) September 18, 2017 -- MyRegistry.com, the world’s leading universal gift registry provider, announces the launch of its newest gift registry partner, Rosie Pope Maternity and Baby, which carries the popular Rosie Pope collections among other pregnancy, postpartum, and baby essentials.

Fans of the Rosie Pope brand will now be able to create the gift registry of their dreams at rosiepope.com/shop where they can add items such as her signature layette styles, baby clothes and shoes, as well as organic crib mattresses, diaper bags, nursing apparel, and postpartum shapewear.

Pope, a London-born dancer and fashion model turned entrepreneur, gained recognition in 2008 after starting Rosie Pope Maternity (a move she says was motivated by a lack of fashionable maternity choices during her first pregnancy). Her TV show on Bravo, Pregnant in Heels, followed in 2011 after she made an appearance as a maternity guru on Bethenny Getting Married, another Bravo series featuring Real Housewives of New York veteran Bethenny Frankel.

Today, Pope, who is also a published author, has four children under the age of 10 and three eponymous boutiques (two in NYC and one in Santa Monica) as well as an online shop. “I’m extremely busy, but I don’t mind because I’m doing what I love, and that’s helping women feel confident and empowered throughout their pregnancies and beyond,” she says.

“Pope is a true entrepreneur in every sense of the word,” says MyRegistry.com President Nancy Lee. “But she’s also a woman who loves being a mom, and that really comes through in everything she designs. We are thrilled she has joined the hundreds of other retailers who already partner with us.”

There is no doubt fans of Rosie Pope Maternity and Baby will be, too.
