First Choice Emergency Room Announces Dr. Kenneth Totz as Medical Director of Houston, Texas Facility

Kenneth A. Totz, DO, FACEP toLead Facility

Lewisville, TX (PRWEB) September 18, 2017 -- First Choice Emergency Room, the largest network of independent freestanding emergency rooms in the United States, announced Dr. Kenneth Totz as the new Medical Director of its Houston- Fallbrook facility.

“We are pleased to announce Dr. Totz will be the new facility Medical Director of our Houston- Fallbrook location,” said Dr. Michael (Derek) Caraway, Area Medical Director of First Choice Emergency Room – North Houston.

Dr. Totz received his undergraduate degree from St. Edwards University in Austin, Texas and his medical degree from the Chicago College of Osteopathic Medicine. He served in the United States Navy for eight years as a Flight Surgeon before completing his Emergency Medicine Residency at the University of Texas at Houston. Prior to joining First Choice Emergency Room, Dr. Totz was a staff physician at Houston Methodist Hospital, LBJ Hospital, and Memorial Hermann Hospital. He is board-certified in Emergency Medicine and has over 15 years of experience practicing Emergency Medicine. Dr. Totz also currently serves as the Facility Medical Director of First Choice Emergency Room- Houston Jones Rd.

First Choice Emergency Room Sienna Plantation is as an outpatient department of First Texas Hospital and accepts all insurance, including Medicare, Medicaid, and Tricare. All First Choice Emergency Room facilities are open 24 hours per day, 7 days per week. The facilities are staffed exclusively with board-certified physicians and emergency trained registered nurses. First Choice Emergency Room facilities are equipped with a full radiology suite, including CT scanner, Digital X-ray, Ultrasound, as well as on-site laboratories certified by the Clinical Laboratory Improvements Amendments (CLIA) and accredited by the Commission on Office Laboratories Accreditation (COLA).

The Houston- Fallbrook facility is located at 13338 Tomball Pkwy., Houston, Texas 77086. For more information, visit https://fcer.com/locations/houston-map.

About First Choice Emergency Room
First Choice Emergency Room (FCER.com) is the nation’s leading network of independent freestanding emergency rooms; it is both the largest and the oldest. First Choice Emergency Room is revolutionizing the delivery of emergency medical services for adult and pediatric emergencies by offering patients convenient, neighborhood access to emergency medical care. First Choice Emergency Room facilities are innovative, freestanding, and fully equipped emergency rooms with a complete radiology suite of diagnostic technology (CT scanner, Ultrasound, and Digital X-ray) and on-site laboratory. All First Choice Emergency Room locations are staffed with board-certified physicians and emergency trained registered nurses. First Choice Emergency Room has facilities in Austin, Houston, and San Antonio. According to patient feedback collected by Press Ganey Associates Inc., First Choice Emergency Room provides the highest quality emergency medical care and received the 2013, 2014, 2015, and 2016 Press Ganey Guardian of Excellence Award for exceeding
the 95th percentile in patient satisfaction nationwide. First Choice Emergency Room is an Adeptus Health company.
