Career Step Adds Ivy Tech Community College of Indiana’s Fort Wayne Campus as Academic Partner

Ivy Tech Community College of Indiana’s Fort Wayne Campus joins Career Step’s network of over 150 academic partners.

Lehi, Utah (PRWEB) September 21, 2017 -- Career Step, an online provider of career-focused education and professional training, is pleased to announce Ivy Tech Community College of Indiana’s Fort Wayne Campus as its newest academic partner.

“Ivy Tech Community College is dedicated to providing their students with quality options for education,” says Glade Tidwell, Career Step Vice President of Academic Partnerships. “After partnering with thirteen other branches of Ivy Tech, we are excited to partner with the Fort Wayne service area and assist in positively impacting the careers and lives of the students in northeast Indiana.”

The Indiana-based community college joins Career Step's network of academic partners which includes more than 150 other educational institutions—including University of Central Missouri, California State University, Bakersfield and Louisiana State University.

The new partnership adds several Career Step courses to Ivy Tech Community College’s catalog. The new courses include Professional Medical Coding and Billing, Medical Transcription and Editing, Medical Administration Assistant with EHR, Pharmacy Technician (ASHP/ACPE), Medical Billing, Computer Technician and Healthcare IT.

“We are pleased to offer these additional education opportunities to our students,” says Kaylene Smith, lead program manager for Workforce Alignment at Ivy Tech’s Fort Wayne Campus. “We know from the experiences of other Ivy Tech campuses that these high-quality, career-focused programs will make a real difference in the lives of our students.”

Career Step has partnered with continuing education departments of higher learning institutions for more than a decade to offer its industry-leading career training courses. These partnerships provide institutions with a turnkey solution to prepare more students for successful careers and enable Career Step to assist students across the county.
