Yisrayl Hawkins Says Stop Shunning The Bible and Watch Blessings Abound

Pastor at The House of Yahweh releases new post this week that gives scriptural detailed examples of how the Holy Scriptures would help bring the world unity and health.

ABILENE, Texas (PRWEB) November 16, 2018 -- Yisrayl Hawkins, Pastor and Overseer at The House of Yahweh in Abilene, Texas, has released a new article this week that reveals the bountiful blessings that come with reading, studying and abiding by the Biblical Laws found in every Bible. Yisrayl says there was a time when almost every household was familiar with the teachings in the Holy Scriptures and followed them to a point. He says that even if the Laws were not followed strictly, at that time, they held a certain moral standard in much of society.

“When I was a child you could solidify an agreement with a simple handshake. Your word was your bond, and you knew to follow through on what you said you would do,” Yisrayl said.

Yisrayl says this current time period has seen a sharp decline in morals that is a direct result of the Scriptures being taken out of people’s lives. He says the government is way too focused on passing laws in order to restore a healthy society; when in fact, they should be focused on the basic moral principles found in the Holy Scriptures. Yisrayl says The House of Yahweh has a mission to get The Book of Yahweh - The Holy Scriptures in the hands of every person in the world.

“Our prophesied goal is to show the world how to stop sickness, disease, confusion, hatred and war; it’s all shown in Scripture. Read this article, and you will be amazed,” Yisrayl adds.

Yisrayl says The Book of Yahweh - The Holy Scriptures is available in print or online at yisraylsays.com.

Yisrayl says the best way to gain a better understanding of the Bible is to watch their weekly Sabbath Service live streams every seventh day of the week at 9:00am CST on their website and Facebook live.
