ForwardLine Financial Launches “Passion Made $10K Giveaway” for Small Businesses

The Direct Lender is Celebrating the Passion and Commitment of Business Owners by Giving Away $10,000 to One Lucky Winner

WOODLAND HILLS, Calif. (PRWEB) November 21, 2018 -- Each day, the owners of the 28 million small businesses in America pour their passion into running their companies and contributing to their communities. These dedicated business owners often wear multiple hats to keep their companies running—from President to Chief Janitor, they go the extra mile to make sure everything gets done. As unsung heroes, small business owners rarely hear “thank you,” or receive acknowledgement for their efforts.

In addition to the hard work that it takes to run a small business, many owners struggle with cash flow. As reported by Small Biz Trends, 49% of small business owners say that they can’t sleep due to cash flow worries. Despite this, company owners show up day in and day out to serve their customers and go the extra mile.

To honor the work, passion, and commitment that it takes to run a small business, ForwardLine Financial, has launched the “Passion Made $10K Giveaway.” The winner of the prize can spend it on anything—renovations, marketing, or even a much-needed vacation. The goal is to give the winner funds that they can use to further fuel their passion. The contest runs from November 21, 2018 to February 28, 2019, and all business owners that take out a ForwardLine loan during this time period are automatically entered for a chance to win the $10,000. To learn more about the sweepstakes and for the complete rules, visit http://www.forwardline.com/sweepstakes.

“We’re passionate about helping America’s small businesses thrive,” said Larry Gomperts, Chief Marketing Officer. “We see the incredible work that goes into what they do every day. When we go out to visit our small business owners, we see that their business is their pride and joy; they pour everything into it. We’re honored to support business owners, especially on Small Business Saturday and during the busy holiday season, when so many are putting in countless hours.”

Celebrating 15 years in business this December, ForwardLine has funded almost a half-billion in loans to over 15,000 of America’s small businesses. “Customer-centric” is one of the company’s core values. ForwardLine has designed their funding products to be small business-friendly. Each loan features early repayment discounts, flexible payments, and discounts on future fundings—all elements to help improve the financial health of small businesses.

About ForwardLine

ForwardLine Financial, a nationwide direct lender, has been successfully providing small businesses with fast, convenient financing alternatives to traditional business loans since 2003. ForwardLine combines technology, non-traditional credit algorithms, and a direct sales model to offer attractive pricing and address a market not captured by traditional banks. In addition to loans, the company offers payment processing services to its borrowers in order to further encourage customer loyalty.
