Cindy Kinjo-Hardart Narrates How She ‘Passed with Flying Colors’

Book shares the miracles and the gift of healing given to the author through psychic phenomena

ORLANDO, Fla. (PRWEB) November 21, 2018 -- According to Cindy Kinjo-Hardart, so many people had asked how she became a healer and when did she know she wanted to be one. Their curiosity led her to write and share her experience in “Passed with Flying Colors” (published by Trafford Publishing).

The book shares to readers the miracles and the gift of healing that was given to Kinjo-Hardart through psychic phenomena, the way she had persevered and finally passed the difficult tests. This is her story and journey.

“It is a journey I would not want anyone to go through because it was the scariest and most terrifying experience of all and this is my story,” Kinjo-Hardart says. “I was tested by my guides for many years. And a few years later, when I realized I was not being tested anymore, I decided to name my book ‘Passed with Flying Colors’ because I felt and was proud to say that I had successfully passed the test.”

Kinjo-Hardart hopes readers read “Passed with Flying Colors” with an open heart. For her, some things are very difficult to believe, but this is her experience, and she understands readers will be able to take so much. “Read and imagine you are watching a science fiction or a paranormal movie because it may be the only way you will enjoy it. It was a very frightening and shocking-to-the-core experience,” she adds. For more details about the book, please visit https://www.amazon.com/Passed-Flying-Colors-Cindy-Kinjo-Hardart/dp/1490791582.
