Uplive Partners with Can You Hear Me to Bring Awareness to Pressing Mental Issues

_Uplive by Asia innovations HK Ltd. has recently partnered with a non-profit organization called “Can You Hear Me?” in their drive to erase the stigma and negative affiliations of mental diseases that afflict millions of people every day._

LOS ANGELES (PRWEB) November 28, 2018 --_Uplive_ by Asia innovations HK Ltd. has recently partnered with a non-profit organization called “Can You Hear Me?” in their drive to erase the stigma and negative affiliations of mental diseases that afflict millions of people every day.

Suicide is one of the top 10 leading causes of death in the United States of America. Leading to 44,965 cases annually. On average there are about 123 suicides per day, with another 25 attempts. This is according to the 2018 poll of AFSP.

The prevalence of Mental Illness is staggering with approximately 1 in 5 adults in the US or 18.5% (43.8 million) experience mental illness in a given calendar year. With 1 in 25 adults or, 9.8 million people experience a mental illness that substantially interferes with their major life activities. According to a 2017 poll by NAMI.

_Uplive_ is one of the top mobile live streaming applications in the world with hundreds of thousands of broadcasters going live every month talking to massive live audiences. _Uplive_ is made up of predominantly young people who care about these topics such as anti bullying, depression, anxiety etc.

A platform with over 60M users worldwide and hundreds of thousands of monthly active broadcasters. _Uplive_ is setting the standard by partnering with “Can You Hear Me?”. Within one week, over 10k broadcasters joined this initiative and over 10 million coins were sent using customized Can You Hear Me gift giving this organization and its causes great awareness.

“Can You Hear Me?” is a non-profit organization founded in the USA solely focused on empowering and building confidence of teens and young adults struggling with mental health.

“We are thrilled to be partnering with _Uplive_ and combining our efforts to bring hope to so many people worldwide”. Founder of Can You Hear Me said, “The ability to help teens and young adults who need a safe place to talk is an honor; to do so with a company that shares our core values and wants to use their platform for change is more than we could have hoped for when we began this journey. Together we have the ability to help people all over the world. We look forward to what the future holds”.
