Nike Lacrosse Camps Partners with Santa Barbara Lacrosse to Host Youth and Showcase Camps in 2019

Santa Barbara Nike Lacrosse Camp to host development camp and showcase camp for boys and girls in July

SAN RAFAEL, Calif. (PRWEB) January 04, 2019 -- US Sports Camps has collaborated with the Head Men's Coach at UC Santa Barbara, Mike Allan, and former Head Women's Coach at UCSB, Paul Ramsey, to offer both development and showcase overnight lacrosse camps at UC Santa Barbara this summer.

"US Sports Camps is excited to be working with a great staff at UCSB this summer," states Senior Vice President of US Sports Camps, Paul Merrion. “Great weather, staff, the beautiful UCSB campus and top notch facilities make this an ideal camp location to improve your skills this summer!"

The Skill & Lacrosse IQ development camps, July 9-12, are for beginner, intermediate and advanced groups for boys and girls ages 10-18. The emphasis of camp are for developing skills and an understanding of strategies with small games and full field scrimmages.

The Nike SB80 Showcase, July 13-14, is for the highly motivated player entering their sophomore, junior or senior years. Players should come into this camp already fit and ready to play. An emphasis will be placed on team offense, team defense and special situations.

"Our Santa Barbara Lacrosse Camp will be one of the premier events of the summer camp season. With all the tournaments and camps these days, this event sets itself apart," states Paul Ramsey. "Our coaches do nice work with skill development and encouraging players to apply them in game situations to learn and become better. Add in the facilities at UCSB for adjacent field turfs, nearby housing & incredible meals and it makes everything so convenient. There’s just the right amount of down time, too, in what quickly becomes a social setting in addition to all the teaching and learning. It leads to some real camaraderie in an amazingly short time."
