Palomar Modular Buildings To Exhibit At The January NTFSA Vendor Fair

Palomar Modular Buildings will be exhibiting at the January North Texas Facilities Services Association Vendor Fair in Haltom City, Texas.

DESO TO, Texas (PRWEB) January 04, 2019 -- Palomar Modular Buildings will be exhibiting at the January North Texas Facilities Services Association Vendor Fair in Haltom City, Texas. The NTFSA Vendor Fair is being held at Birdville ISD’s Thomas Coliseum in Haltom City, Texas on January 17, 2019.

Palomar will have a trade show display exhibiting the company’s education building solutions at the vendor fair. Palomar Modular Buildings will be providing information on their selection of buildings for the public, private and charter education markets in Texas, including temporary or portable classrooms, and complete school campus complexes.

The North Texas Facilities Services Association (NTFSA) is an association of dedicated professionals working together to provide accurate operations information, sharing professional best practices and promoting the highest quality of service to the school districts of North Texas. NTFSA is an affiliate of TASBO, whose vision is to positively impact the future of Texas schools. The vendor fair provides an opportunity for members to spend time learning what is new and developing with their vendor members.
