Dental Care Alliance Closes 2018 with Addition of Impressive Multi-Specialty Practice in Virginia

SARASOTA, Fla. (PRWEB) January 04, 2019 -- Dental Care Alliance (DCA) is excited to announce that Atlas Walk Dental & Orthodontics has joined its best-in-class network. Atlas Walk has been serving the communities in and around the greater Gainesville area, including Haymarket, Bristow, Centreville, Nokesville, Warrenton and Manassas, Virginia, since 2006.

Atlas Walk Dental & Orthodontics provides dental care that exceeds expectations with their multi-specialty offerings including: adult and pediatric dentistry, cosmetic dentistry and smile makeovers, orthodontics, dental implants, same day relief for dental emergencies, light sedation for anxious patients, oral cancer screenings and convenient hours including weekends and extended hours.

“Led by Dr. Najib Adi and his talented team of doctors and dental professionals, Atlas Walk Dental & Orthodontics has built an impressive practice, built on integrity, existing patient referrals and excellent patient care,” said David Pegg, Chief Development Officer for Dental Care Alliance. “We are delighted to gain such a well-respected and revered practice in the Commonwealth of Virginia.”

Founded in 1991 and headquartered in Sarasota, FL, Dental Care Alliance supports nearly 300 affiliated dental practices in 17 states, making it one of the largest multi-branded dental support organizations in the country. DCA-affiliated practices provide a full suite of dental services, including general dentistry, hygiene, pediatric dentistry, orthodontics, endodontics, periodontics and oral surgery. DCA’s mission is to improve the practice of dentistry by partnering with and supporting dental professionals, so they can create a lifetime of healthy smiles for their patients.
