Barrister Executive Suites, Inc. believes in giving back to the communities in which they work. In 2018, Barrister made donations to over 50 different charitable organizations. The organizations chosen in 2018 aim to help homeless, veterans, and mothers and children.

LOS ANGELES (PRWEB) January 23, 2019 -- Barrister Executive Suites, Inc. prides itself on being a company that gives back to the community. Many of the chosen charities lay near and dear to the hearts of clients and employees at Barrister, and each charity’s mission is centered on helping others and lifting up the surrounding community.

The organizations Barrister made donations to in 2018 were focused on charities whose aim is to help veterans, mothers and children, and the homeless. Though these categories encapsulate the majority of charities that donations were sent to, the list of charitable organizations that Barrister gives back to yearly includes cancer fighting organizations, animal rescue groups, higher education universities and much more. See the full list here.

Veterans hit close to home for Barrister as many of the clients and employees have family members who have served or are serving in the United States military. Both the CEO & COO of Barrister have fathers who have served. To honor our nation’s veterans, donations were sent to Cammies & Canines, USO, Wounded Warrior Project, and Wreaths Across America.

The employee population at Barrister is made up of 75 percent women, and of those, about 50 percent have children, some being single mothers. Barrister believes in supporting mothers and children because today’s children are the future of tomorrow. To support women and their children in the community, Barrister Executive Suites donated to Boys & Girls Clubs of America, Prevent Child Abuse America, Single Mother’s Outreach, The National Domestic Violence Hotline, and Vista Del Mar Child and Family Services.

The majority of Barrister’s locations are in urban Los Angeles County. Every big city has a homeless population, and communities throughout Southern California are not immune. Through supporting charities who work with those experiencing homelessness, Barrister hopes to do their part in helping bring those numbers down. Organizations Barrister chose to support in 2018 include Bridge to Home, LA Food Bank, Rise Against Hunger, Saint Joseph’s Center, Santa Clarita Shelter, Stop Hunger Now, and United Way of Greater LA.
