Oldcastle Infrastructure™ Guides Santa to Tennessee Foster Children

Oldcastle Infrastructure, part of CRH’s Building Products division, the largest building materials company in North America, was pleased to again take part in the 2018 Annual DCS Wilson County Foster Children’s Christmas program.

ATLANTA (PRWEB) January 22, 2019 -- Oldcastle Infrastructure, part of CRH’s Building Products division, the largest building materials company in North America, was pleased to again take part in the 2018 Annual DCS Wilson County Foster Children’s Christmas program. Lebanon, TN, Oldcastle Infrastructure employees helped gather toys and clothing items for children in the Wilson County Foster system.

Our Lebanon team went above and beyond ensuring ten foster children, ranging from ages 3–17, would enjoy a happy holiday season. Building on a successful partnership with DCS Wilson County Foster Children’s program, our Lebanon, TN, plant donated time, gifts and financial support to this worthy cause.

“I am proud of our team for once again sponsoring children in need and giving back to our community,” said Curt Gillaspie, Oldcastle Infrastructure Manager, Tennessee and Kentucky Region. “It is important all year long, and particularly around the holidays.”

Trina Hildabrand, DSC Event Coordinator, states, “For several years the foster children and youth of Wilson and Trousdale counties have been blessed by the generosity of the wonderful people at Oldcastle Infrastructure. Oldcastle Infrastructure has helped us be able to provide Christmas gifts for the over 150 children in DCS custody in our county. We simply could not provide these items without partnerships with generous sponsors, such as Oldcastle Infrastructure. On behalf of all foster children and youth in Wilson county, thank you!”
