Do You Want to Go from a Born Rebel to a Renewed Warrior?

Debuting author Tabitha Dorcas reveals her story of redemption in ‘Born Rebel, Renewed Warrior’

MADISON, Miss. (PRWEB) January 23, 2019 -- Having experienced abandonment by a father who loved sports and women more than his daughters; lived with a mother who was too emotionally scarred and broken to know how to love without manipulation and games; gone through a string of broken relationships that ended in beatings, verbal abuse and disaster; and escaped from an abusive marriage while being pregnant with a child, would one still find grace and freedom in the midst of all these adversities?

Marking her debut in the publishing scene, author Tabitha Dorcas releases “Born Rebel, Renewed Warrior” (published by WestBow Press). In this autobiography, she offers readers a story of redemption and chronicles her life journey as a warrior of Christ.

Candid and poignant in her telling, Dorcas recalls her victory over being a victim, her choice of being a warrior instead of a rebel and her quest to being renewed over being destroyed. “[The book] is about my relationship with Jesus and how sinful I was, my past and how God pursued me even to the desert in all my brokenness and filth to renew me and give a life I never knew I could have after years of abuse, drug use, and living for the enemy,” the author shares.

“Born Rebel, Renewed Warrior: A Story of Redemption”

About the Author
Tabitha Dorcas is a writer, artist and advocate for those who feel lost and in need of spiritual guidance and healing. She has created a voice for people who have been in similar difficult circumstances as herself and strives to bring hope and peace to those that are struggling. Her relationship with Christ transformed her stony heart and reshaped it to one of love, faith and determination. She talks from personal experience and her heart is devoted to bringing glory to God in all she does. Dorcas holds a Bachelor of Science in business studies with a concentration in information technology from South New Hampshire University. Besides working hard in her studies, career and spiritual life, Dorcas enjoys spending time with her family and friends, volunteering and participating in mission trips through her church.
