Yisrayl Hawkins States the Discord that Exists Between Religions Can Be Eliminated With Correct Answers to Age-Old Questions

Pastor at The House of Yahweh says he wants all religions to come to unity for the benefit of all people in new post

ABILENE, Texas (PRWEB) January 25, 2019 -- Yisrayl Hawkins, Pastor and Overseer at The House of Yahweh in Abilene, Texas, has written a new post this week that focuses on the questions that have lingered for generations in the congregations of mainstream religions. Yisrayl says The House of Yahweh took a poll in order to gather scriptural answers, compare them to the bible, and see how correct they were. Yisrayl says the results were clear, there is much confusion and misunderstood teachings in mainstream religion.

Yisrayl says people deserve to know the truth and should receive accurate biblical instruction in order to guide them properly. There is too much wrong in the world. With Yahweh’s Wisdom, the wrong will stop. He says true religion is not about attending services one day a week or simply saying one believes. He adds, the True Faith is a way of life that never stops.

“When you are living by the Faith according to the Scriptures, every second of your day is guided by the Laws and instructions given in the Holy Scriptures,” Yisrayl says.

Yisrayl says the peaceful solution is at hand, with guiding Laws and proper religious guidance, each person would reap the abundant blessings that spring forth from obedience. Yisrayl adds that the media have given a bad stigma to the word “obedience” as if it is a dirty word. He says this is all part of a great agenda to turn people away from the True Faith.

“There has been a plan in place for a very long time now to turn the hearts and minds away from what it really means to be “religious”. It is far from what is portrayed by mainstream religion, it will not obtain you salvation, nor will it get prayers answered,” Yisrayl says.

Yisrayl says The House of Yahweh is the key to understanding the one True Faith.

Yisrayl says the best way to gain a better understanding of these Guiding Laws, is to watch their weekly Sabbath Service live streams every seventh day of the week at 9:00am CST on their website and Facebook live.
