R. Dean and Rebecca Sample’s Newly Released “Every Day Matters” is a Precious Daily Devotional That Helps Put the Small Things in Perspective

“Every Day Matters” from Christian Faith Publishing authors R. Dean and Rebecca Sample is a beautiful volume of insightful poetry with accompanying scripture studies and devotionals that will instill a sense of faith, mindfulness, gratitude, and appreciation for the simple things in life as one grows closer to God day by day.

MEADVILLE, Pa. (PRWEB) February 01, 2019 -- “Every Day Matters”: a thought-provoking daily devotional. “Every Day Matters” is the creation of published authors R. Dean Sample, an infrastructure and home inspector who writes poetry on the side, and his wife of forty-plus years Rebecca Sample, a retired teacher and mother of their four children.

Dean and Rebecca write, “There are certainly many things that seem to get in our way as we attempt to accomplish daily tasks and continue on toward our goals and dreams. This book is not designed to give you the secrets to great success, as the world counts success. Rather, its purpose is rooted in the assurance that each day is unique in itself. A pause, a respite from the scheduled events of the day, a time to just appreciate the gift of each day, a time to embrace the gift of life with the Creator of life! This is a compilation of thirty-one poems, devotionals, and prayers to assist you in your personal daily devotional with God. The best minutes of the day are when we are alone with God and we can appreciate the times and places that has been designed for us. Take a few minutes, or the whole day, and read into the poems your own experiences, meditate on the scriptures, consider the devotional thoughts, and pray. You too will find that Every Day Matters.”

Published by Christian Faith Publishing, R. Dean and Rebecca Sample’s new book is a serene contemplation of the compounding benefits of slowing down to patiently and attentively walk with God one step and one day at a time.

The authors encourage readers through the daily readings to let go of worldly striving for a few moments with God, because it is in these moments that the true treasures of life are found to sustain them the rest of the journey.
