MEWA Association of America Webinar: MEWA/AHP Guidelines for 2019-2020: February 6, 2019

MEWA Association of America (MAA) will host its first webinar, "MEWA/AHP Guidelines for 2019-2020," on Wednesday, February 6, 2019 from 2:00 to 4:00 p.m. EST

ALISO VIEJO, Calif. (PRWEB) January 30, 2019 -- William Dyer, known as Mr. MEWA, announces MEWA Association of America's first webinar, featuring two MEWA expert attorneys: William Megna, General Counsel of MAA, and Nancy Taylor of Greenburg Traurig.

Dyer stated, “There are many changes in the DOL's regulations which are not fully understood. For example, all AHPs are MEWAs, but not all MEWAs are AHPs. Also, what are the pros and cons of being an AHP?"

Are you prepared for the DOL's new MEWA/AHP regulations for 2019 and 2020?

At the recent NAIC Winter National Meeting, state regulators expressed a need for uniformity in the regulation of MEWAs. The panelists of this webinar will discuss that need, as well as how the “Class Exemption” could achieve this goal.

MAA's webinar will also include topics such as how MEWAs are funded, MEWA regulations, MEWA pitfalls, the impact of final rulings on AHPs, and more.

This webinar is a must for all MEWAs/AHPs, as well as associations and stakeholders who wish to form them.
