Neftin Volkswagen Showcases the 2019 Volkswagen Golf GTI Rabbit Edition

2019 Volkswagen Golf GTI receives limited-run Rabbit Edition trim level

THOUSAND OAKS, Calif. (PRWEB) January 31, 2019 -- Neftin Volkswagen is excited for the arrival of the 2019 Volkswagen Golf GTI Rabbit Edition in the Thousand Oaks region. New for the 2019 model year, the Rabbit Edition was introduced by Volkswagen to celebrate over thirty years of Golf GTI production history. 3,000 models of the 2019 Volkswagen Golf GTI Rabbit Edition will be available for purchase.

The 2019 Volkswagen Golf GTI Rabbit Edition is situated between the base trim, S, and the SE trim in terms of feature availability. Four exterior color options are exclusive to Rabbit Edition models: Deep Black Pearl, Pure White, Cornflower Blue and Urano Gray. This trim also sports unique exterior styling elements such as black mirror caps, Rabbit Edition branding, and a black spoiler. A blind-spot monitoring system, a 6.5-inch touchscreen interface and adaptive LED headlights also come standard in Rabbit Edition models.

Every trim level of this hatchback is motivated by a turbocharged, 2.0-liter, four-cylinder engine. This engine is mated to either a six-speed manual or a dual-clutch automatic transmission. Drivers who prefer hatchbacks that provide a sportier ride will appreciate this engine’s output of 228 horsepower and 258 pound-feet of torque.

As a hatchback, the 2019 Volkswagen Golf GTI emphasizes passenger space and cargo storage. The 2019 Golf GTI features a maximum cargo capacity of 52.7 cubic feet (with rear seats folded down) and a standard cargo capacity of 22.8 cubic feet. Overall, this hatchback offers 116.3 cubic feet of interior volume.
