INCATech Receives the Release Ready Specialty Partner Designation from Esri

INCATech receives the Release Ready Specialty Partner designation from Esri®.

RESTON, Va. (PRWEB) January 31, 2019 -- In the latest recognition of their Geospatial Industry Expertise, INCATech receives the Release Ready Specialty Partner designation from Esri. As an early recipient of the Release Ready Specialty designation, INCATech will display this logo proudly while exhibiting at Esri Federal GIS Conference on January 29-30, 2019 (Booth B7) and continue to promote it on its website and collateral.

The Release Ready Specialty designation showcases Esri partners with expertise and initiative adopting the latest versions of Esri technology. INCATech provides services using the latest Esri technology and trains and certifies staff on these latest capabilities.

With this designation, INCATech, an Esri Silver Partner has proven the adoption of the latest Esri software releases on a consistent basis, can offer defined solutions, services and content using the latest ArcGIS capabilities, and maintain a repeatable approach for migrating solutions to the latest ArcGIS release.

INCATech is also recognized as an Esri Silver Partner and for their designation in the Federal Small Business Specialty.

INCATech looks forward to engaging our customers with this new level of expertise and sharing proven successes with new customers and the geospatial community.

INCATech is an SBA 8(a) certified 100% Woman Owned Small Business that has provided innovative technology to U.S. government and commercial customers for nearly a decade. Our expert teams apply Agile methodologies and use state-of-the-art products to achieve your mission goals and deliver breakthrough results. https://incatech-corp.com
