Leading British Columbia Alcohol Treatment and Drug Rehab Centre, Sunshine Coast Announces New Site Tour Video

Sunshine Coast Health Centre is a leading alcohol treatment and drug rehab centre in Powell River, British Columbia, but draws clients heavily from cities as diverse as Calgary and Edmonton, Alberta, or Toronto, Ontario. The Centre is announcing a new YouTube site tour video.

VANCOUVER, British Columbia (PRWEB) February 01, 2019 -- Sunshine Coast Health Centre, one of the top drug rehab and alcohol treatment centres in British Columbia, Canada, is proud to announce a new site tour video posted to YouTube. Potential clients and their loved ones can access the video and virtually "tour" the best-in-class treatment facility.

“As one of Canada's leading residential treatment centres, potential clients understandably want to preview the site facilities,” explained Casey Jordan, Chief Marketing Officer. “Our new video offers them an easy way to see our best-in-class Centre and imagine how their participation can be a first step towards recovery from drugs, alcohol, trauma, PTSD, or other issues. Our location in Powell River combines breathtaking beauty with a secluded environment for people to reboot their lives.”

The video can be viewed directly on YouTube at https://youtu.be/hcWbM_ASFn0. Those who want to view even more information on the drug rehab and alcohol treatment Centre can access https://www.sunshinecoasthealthcentre.ca/drug-rehab-center/ where they can also request a confidential consultation. Another option is to learn about the Centre's unique non-12 step methodology at https://www.sunshinecoasthealthcentre.ca/about-us/.

A BEST-IN-CLASS DRUG REHABILITATION AND ALCOHOL TREATMENT CENTRE IN BRITISH COLUMBIA

Here is background on this release. The Centre is located in Powell River, British Columbia, north of Vancouver and Victoria, but easily accessible via plane. It is male-only, and is a residential program. Many people first learn of the Centre because it is recognized as one of the best non-12 step programs in Canada, and its unique treatment methodology (based on the work of Viktor Frankl) helps persons find meaning in their lives and thereby work to free themselves from dependency on drugs and/or alcohol. The new video shows the stunning location with breathtaking views of the ocean and nearby woods. In addition, the Centre has an indoor pool plus high quality fitness equipment. The video also shows what rooms at the Centre look like plus showcases some of the treatment options.

Those interested in the Centre (or their loved ones) are encouraged to view the video on YouTube, visit the website, and inquire about a confidential consultation. After all, it is the human face-to-face interaction that is as important as the breathtaking and best-in-class drug rehab and alcohol treatment program in British Columbia, Canada.

ABOUT SUNSHINE COAST HEALTH CENTRE

Sunshine Coast Health Centre is a 47-bed drug and alcohol rehabilitation facility exclusively designed for men, officially opened on the 15th of March 2004. The Centre has a philosophy of care that goes beyond just
addiction to include personal transformation based on three key therapeutic principles: interpersonal relatedness, self definition (autonomy & competence), and intrinsic motivation. The Centre offers both drug rehabilitation and alcohol treatment near Vancouver, BC, but serving patients across Canada, particularly British Columbia and Alberta and cities such as Calgary, Edmonton and Red Deer. Sunshine Coast Health Centre uses a form of drug rehabilitation based on the research of Viktor Frankl and methodology of Paul T.P. Wong, namely 'Meaning Centered Therapy'.
