Established in September 2017, the ReminderCall.com Physical Therapy Scholarship provides financial assistance to college sophomores, juniors, seniors or graduate students enrolled in an accredited physical therapy program for the 2018-19 academic year with a minimum cumulative GPA of 3.0.

The winners of the 2018-19 ReminderCall.com Physical Therapy Scholarship are:

- Savannah McMillen, University of Mary Hardin-Baylor

“I hope to be a teacher not only in the clinic, but someday also to future physical therapists. There are few things more important than passing a passion for service to others, particularly the future generations. I also want to contribute to or perhaps found a non-profit physical therapy service that is able to narrow the healthcare disparity I see every day,” said Meyer, a first-year graduate student.

International Scholarship and Tuition Services, Inc. (ISTS), an independent scholarship management company, hosts the online application process, selects recipients and disburses awards for the program. Learn more at https://www.remindercall.com/physical-therapy-scholarship/.
