US Sports Camps Announces New Nike Softball Camp Location in Decatur, Illinois

Nike Softball Camps, a subsidiary of US Sports Camps, the largest provider of sports camps in the world, is thrilled to announce the addition of a new Illinois softball camp.

SAN RAFAEL, Calif. (PRWEB) February 05, 2019 -- The new Nike Softball Camp will be held at the Workman Family Softball Field, Millikin University’s newly built softball facility.

Co-Head Coaches and Co-Directors Katie Tenboer and Whitney Sowers will be leading the all-skills camp. The new camp will be available for day and overnight campers and runs from June 23-26. Both Tenboer and Sowers have taken the program to new heights going 22-14 in 2018 and 32-12 in 2017.

Millikin’s award-winning Workman Field was completed in 2017 and features a turf field, turf infield, batting cages, stadium seating, and lights. The state-of-the-art field is home to the NCAA Division III Millikin Big Blue.

Campers receive focused instruction on all facets of the game with an emphasis on the fundamentals and proper technique. Athletes will be challenged in a fun, safe, and supportive environment.

“We are excited to be adding a Nike Softball Camp in Illinois this summer with the Milliken coaching staff. Coach Tenboer and Coach Sowers are doing a tremendous job and are great additions to our national network of softball camps,” states Michael de Surville, Sr. Vice President of US Sports Camps. “This summer will offer campers a tremendous opportunity to learn and improve in a fun and focused environment.”

Players, coaches, and parents interested in Nike Baseball Camps can visit www.USSportsCamps.com/softball or call 1-800-645-3226.

About US Sports Camps

US Sports Camps (USSC), headquartered in San Rafael, California, is America's largest sports camp network and the licensed operator of Nike Sports Camps. The company has offered summer camps since 1975 with the same mission that defines it today: to shape a lifelong enjoyment of athletics through high quality sports education and skill enhancement.
