TalentQuest is Making Leadership Development Easier

*Becoming a strong leader just got easier with the launch of TQ Leadership Series, TalentQuest's new micro-learning leadership development library.*

ATLANTA (PRWEB) February 07, 2019 -- TalentQuest, a leading provider of Talent Management and Learning Software, this week announced the launch of TQ Leadership Series training. A new series of micro-learning courses designed to help leaders more efficiently acquire the skills they need to guide, inspire, and motivate their teams.

“We are thrilled to further enhance our leadership development programs with the launch of TQ Leadership Series courses,” says Frank Merritt, CEO at TalentQuest. “It’s a beautiful product created for the on-the-go learner. And, once again, TalentQuest leads with innovation—prescriptively linking the courses to an individual’s development needs and desired competencies.”

TQ Leadership Series is self-paced, on-demand eLearning, developed using the latest technology, delivering the ultimate user experience. All courses are mobile friendly, so they can be completed anywhere, anytime—each less than 15 minutes. Leveraging TalentQuest’s proprietary competency framework, these courses are developed by subject matter experts in coaching, talent management, and leadership development to provide information and tools that can be immediately applied to address leadership skill gaps.

“TalentQuest is helping companies build better leaders,” says Mahim Mishra, President, Global Learning at TalentQuest. “These courses were designed to provide a quick and scalable way to teach critical leadership skills, techniques, and approaches. While they can be taken stand alone, they also can be used to support other programmatic or blended learning and leadership development efforts.”

For a limited time TalentQuest is offering “three for free,” TQ Leadership Series courses. Click here to get yours now. [https://www2.talentquest.com/TQLeadershipSeriesTrial](https://www2.talentquest.com/TQLeadershipSeriesTrial)
