Thomas G. Reed’s Newly Released “America’s Role in Armageddon: A Biblical View of Current Events and the Coming Tribulation” Is a Startling Observation

“America’s Role in Armageddon: A Biblical View of Current Events and the Coming Tribulation” from Christian Faith Publishing author Thomas G. Reed is a timely, culturally relevant message against the liberal left’s progressive humanism and its contribution to the fall of a great nation as well as the world’s prophesied demise.

MEADVILLE, Pa. (PRWEB) February 12, 2019 -- “America’s Role in Armageddon: A Biblical View of Current Events and the Coming Tribulation”: a potent invitation to repent and draw near, is the creation of published author Thomas G. Reed, a telecommunications engineer turned theological thinker.

Reed writes, “Are you aware that the current events shaping our world reflect apocalyptic biblical predictions? It’s clear that the end of time is near. This book is a wake-up call for Christians and American patriots who can no longer afford to shrug and hope for the best. The strong foundation of Judeo-Christian values that built our great country has crumbled to the ground in the face of humanism and liberal progressivism. America’s demise parallels the demise of mankind as a whole. How have we reached this state of crisis? We explore the death grip that humanism has on America, and the ultimate fate of all the world’s citizens. We examine both the source of sin and the path toward holiness, including death to the old self and resurrection of the new.

“It is essential to heed the warnings found in God’s Word—warnings which become increasingly relevant as the Great Tribulation draws near. With a detailed evaluation of the Scriptures, we identify the timeline of the Tribulation, Rapture, return of Jesus Christ, and the thousand-year Millennium. Realizing that the Rapture will not take place prior to the Tribulation, we must accept the Tribulation when it begins and recognize its ramifications—or risk being deceived by Satan and the Antichrist.”

Published by Christian Faith Publishing, Thomas G. Reed’s new book is a powerful warning drawn from a thorough study of Scripture and its prophecies.

Reed pinpoints the current era in the timeline of the Tribulation, Rapture, Second Coming of Christ, and the Millennium, and equips faithful Christians with the knowledge and encouragement to withstand the imminent cataclysmic events with unshaken faith in their eternal rewards.
