Todd Creek Village Metropolitan District Joins Community of Local Buyers with the Rocky Mountain E-Purchasing System

Today, the Todd Creek Village Metropolitan District announces it has joined the Rocky Mountain E-Purchasing System, a regional purchasing community by BidNet.

BRIGHTON, Colo. (PRWEB) February 13, 2019 -- Today, the Todd Creek Village Metropolitan District announces it has joined the Rocky Mountain E-Purchasing System, a regional purchasing community by BidNet. Local government agencies throughout Colorado & Wyoming utilize the purchasing group for bid and vendor management. Todd Creek Village Metropolitan District invites all potential vendors to register online with the Rocky Mountain E-Purchasing System at www.BidNetDirect.com/Colorado.

Todd Creek Village Metropolitan District joins the Rocky Mountain E-Purchasing System and the community of over 200 participating local government agencies located throughout Colorado & Wyoming. Along with a variety of bid and vendor management solutions, Todd Creek Village Metropolitan District gains access to a bid library to help with bid creation, a shared pool of vendors, and association with like-minded purchasing professionals in the area.

Vendors interested in doing business with Todd Creek Village Metropolitan District and other nearby government agencies are encouraged to register at www.BidNetDirect.com/Colorado. Benefits of joining the Rocky Mountain E-Purchasing System include:

- Centralized location for bids from over 200 participating agencies
- Bid alerts customized to the vendors’ products or services
- Reliable and timely delivery of notifications, addendums and documents
- Advanced notice of Term Contract expiration
- E-Bid and E-Quote Submission

The Rocky Mountain E-Purchasing System is one of BidNet’s regional purchasing groups throughout the country. It provides Todd Creek Village Metropolitan District a bid and vendor management solution, document and addendum distribution, and tracking of all activity throughout their procurement process.

About the Rocky Mountain E-Purchasing System:

The Rocky Mountain E-Purchasing System is a part of BidNet’s regional purchasing groups available at no cost to local government agencies throughout the country. With years of input from procurement professionals, BidNet specifically developed the bid system to fill the need for a robust bid and supplier management solution for local government agencies. BidNet runs regional purchasing groups across all 50 states that are used by over 1,300 local governments.
