Tony Villanueva’s Newly Released “My Journey to Heaven” is an Earnest Testimony of Salvation and Divine Intervention

“My Journey to Heaven” from Christian Faith Publishing author Tony Villanueva is a heartfelt memoir that traces the spiritual rebirth and redemption of a man.

MEADVILLE, Pa. (PRWEB) February 18, 2019 -- “My Journey to Heaven”: a joyful testimony, is the creation of published author Tony Villanueva, a nondenominational Christian evangelist and retired Texas high-school teacher. He lives as a divorced grandfather in Austin, Texas, as well as a musician in Jalisco, Mexico.

Villanueva shares, “My Journey to Heaven is a ‘rags to riches’ story, as evidenced by the power of God in the author’s new life in Christ. It is a journey filled with hope, signs, and wonders, as God answers his prayers one by one. It is a story of divine intervention, which transformed the author’s life. Ironically, after thirty-eight years of a happy, married life, the author finds himself in crisis once again, forcing himself into a spiritual wilderness in Mexico and stays there until God rescues him from it.”

Published by Christian Faith Publishing, Tony Villanueva’s new book is a buoying journey through a lifetime on the way to stability, spiritual wholeness, and peace of mind.
