Updates To ezPaycheck Software Enables Trucking Companies To Streamline Payroll

Latest ezPaycheck payroll software will assist trucking companies streamline payroll processing, in-house. Download and test drive it at no cost or obligation at halfpricesoft.com.

DETROIT (PRWEB) February 25, 2019 -- When utilizing the latest ezPaycheck payroll software from Halfpricesoft.com, small trucking companies will now spend less time worrying about processing payroll, and spend more time generating revenue. Processing payroll in-house will increase revenue for the company and add peace of mind knowing the business has control of the payroll process for less money than most other outsourced payroll companies.

“Latest ezPaycheck software updates offers a simple solution comprised of innovative software features to assist small trucking companies streamline payroll, in-house.” said Dr. Ge, the Founder of Halfpricesoft.com.

ezPaycheck payroll software offers trucking companies more flexible payment methods such as paychecks by salary, hourly rate, mileage, load, task, bonus and more. Furthermore, no internet connection or check verification process is required. ezPaycheck is compatible with Windows 7, 8, 8.1, 10.

ezPaycheck software is designed to automate paycheck processing to reduce the time spent on running payroll. The software’s graphical interface leads users step-by-step through setting up employee information, importing data, calculating payroll - including calculation of federal, state and local taxes; deductions for Medicare, insurance and 401(k) plans; and printing paychecks. Potential customers can download and try this software with no obligation or cost at https://www.halfpricesoft.com/index.asp.

Small businesses get unique features in the latest release of ezPaycheck payroll software:

- Supports multiple differential pay rates such as: hourly, salary, night shift, by piece, by load, or by mileage rates for employees
- Supports multiple accounts at no additional charge
- Supports network access for 2-10 users
- Supports daily, weekly, biweekly, semimonthly and monthly payroll periods. Features report functions, print functions, and pay stub functions
- Prints miscellaneous checks as well as payroll calculation checks
- Prints payroll checks on blank check stock or preprinted checks
- Automatically calculates federal withholding tax, social security, medicare tax and employer unemployment taxes
- Includes built-in tax tables for all 50 states and the District of Columbia
- Creates and maintains payrolls for multiple companies, and does it simultaneously
- Prints Tax Forms 940, 941, W2 and W3 (Copy A required for W2 and W3 forms)
