Jefferey Brookshire’s Newly Released “Stepping Stones To Discovering God's Will” is an Encouraging Glimpse Into the Heart of God

“Stepping Stones To Discovering God's Will” from Christian Faith Publishing author Jefferey Brookshire is an empowering invitation for Christians to let go of false notions regarding the secrecy of God’s will and instead embrace the fact that His heart is open to anyone who earnestly seeks it.

MEADVILLE, Pa. (PRWEB) February 18, 2019 -- “Stepping Stones To Discovering God's Will”: a glowing guide to active faith, is the creation of published author Jefferey Brookshire, a teaching pastor and hospice chaplain who lives in Georgia with his wife. He is a proud father of three.

Brookshire writes, “You can know God’s will. Yet too many have given up hope of ever being able to do so. Some view discovering God’s will just as difficult as finding the lost city of Atlantis. Some figure that they aren’t good enough or spiritual enough for God to reveal it to them. Still others simply haven’t been taught how to discover His will.

So here’s the truth. God wants you to know His will. In fact, He wants you to know it more than you do! No matter who you are. No matter what you have done in the past. No matter what you are doing in the present. No matter how close or far you are to Him right now. God wants you to know His will.

Stepping Stones to Discovering God’s Will reveals how to know God’s will through heart-touching stories and practical instruction from the Bible. As you read it, you will be an explorer on a great adventure that will transform your life for the better.

Let’s take the first step! And may your journey be filled with all the love, joy, peace, and grace that God has to give.”

Published by Christian Faith Publishing, Jefferey Brookshire’s new book is an invaluable resource for those who long to draw nearer to the Father but have always believed they weren’t holy enough.

Brookshire compassionately dispels deception and misunderstanding, liberating the reader to fully embrace an enriching two-way relationship as a child of God.
