Stuck on a Desolated Island, a Young boy Finds Enlightenment through ‘A Journey Within’

LouAnne Ludwig offers spiritual guidance through new fable

RIVERSIDE, Calif. (PRWEB) February 14, 2019 -- Presented in the form of a fable, “A Journey Within” (published by Balboa Press) by LouAnne Ludwig offers methods to help people gain spiritual wisdom and self-knowledge, while bringing more peace and tranquility to their everyday experience.

A young soul is marooned on an island. Visited by a mysterious and all-powerful mentor, the boy learns to apply and practice an abundance of amazingly useful new skills, thus overcoming every obstacle he faces. The more the young hero learns, the more solid his base becomes from which to develop the gifts he came into his lifetime to express.

“It’s hard not to put a book down after reading it - thinking you will surely utilize the concepts - but life takes off once again with its dramas and soon the ideas have faded from mind,” Ludwig says. “This book is set up to easily refer back to any given chapter which covers a technique you need a refresher on. The stories are simple yet infectiously charming so they will stick in your mind as they help you to utilize the process in your own life.”
