Spark Towing Introduces New Range of Car Care Products and Accessories

*Spark Towing, a provider of professional towing & roadside assistance solutions in San Diego, introduces a range of new car care products and accessories.*

SAN DIEGO (PRWEB) February 17, 2019 -- Spark Towing, a provider of professional towing, roadside assistance and auto locksmith services in San Diego, introduces a variety of new car care products and accessories.

The Spark Towing store is a fresh addition to the company’s website, featuring a varied selection of items. The range of car care products and accessories includes the SuperFlow Portable Air Pump, Super Start Premium Group Size 40R Top Post Battery, Super Start Extreme Group Size 35 Top Post Battery, Super Start Booster Cables, A-Safety Hi-Vis Cap, CJ Safety High-Vis Safety Shirt and 17” Alloy Replacement Wheel for Hyundai Elantra.

Spark Towing has continued to expand its range of towing, roadside assistance and auto locksmith services since the company launched, and this new store is the latest step in its evolution. As with the rest of the website, the store is designed for simple navigation and is optimized for mobile devices.

Spark Towing has chosen products offering practical value to drivers across San Diego and beyond. Safety clothing, replacement batteries, battery booster clamps and others can prove essential in a number of different situations. Ordering is fast and easy.

As Spark Towing operates round the clock, its professionals are always on hand to answer questions. They have the training, knowledge and expertise to provide in-depth information on its products.

An executive from Spark Towing discussed the company’s excitement for the range of products and highlighted their commitment to a high standard of service:

“This is an incredibly exciting time for Spark Towing — and our customers! By adding this new range of products to our website, we’ve taken a bold step in the variety of solutions we offer to drivers. You can browse the catalog of items and reach out to our experts for helpful details on every single product, ensuring you know exactly what you’re getting for your money.

“This was a move we’ve been aiming to make for a while now, and it’s great to have finally done it. The store is a fantastic complement to our roster of towing, roadside assistance and auto locksmith solutions!

“We aim to keep adding new products to our store on a regular basis and to keep our rates as competitive as possible. Affordability and value for money is a major aspect of our company, catering to drivers on all budgets.

“Our team is available 24/7, every day of the year (including holidays and weekends) so call us at any time. We’d like to thank all of our customers for their ongoing support!”
