OnlineMasters.com Names Top Master's in Emergency Management Programs for 2019

Graduates can pursue career opportunities in homeland security, public safety, law enforcement, and logistics.

SEATTLE (PRWEB) February 15, 2019 -- OnlineMasters.com, a trusted source for unbiased college rankings and higher education planning, announced the release of their Best Online Master's in Emergency Management Programs for 2019. The research identifies the top programs in the nation based on curriculum quality, program flexibility, affordability, and graduate outcomes.

In addition to insights gained from industry professionals, OnlineMasters.com leveraged an exclusive data set comprised of interviews and surveys from current students and alumni. Each online degree program was analyzed with only 30 making it to the final list. The methodology incorporates the most recent data from the Integrated Postsecondary Education Data System (IPEDS) and statistical data from the National Center for Education Statistics. Most importantly, only programs from accredited nonprofit institutions were eligible.

“Job stability is one the top benefits of a career in emergency management,” says Barbara Montgomery, Program Recognition Manager. “There will always be a need for professionals to respond to natural disasters or crisis situations, and advanced degree holders will gain a competitive edge.”

Students who pursue a master’s in emergency management can also gain managerial roles in homeland security, public safety, law enforcement, and logistics. The steady job growth in this market is just one of many reasons OnlineMasters.com researched, analyzed, and ranked the Top Master’s in Emergency Management programs.
