Doug Knox’s Newly Released “Facing Death and Eternity With Confidence” is a Deep Exploration of How the Scriptures Speak About Something As Inescapable As Death

“Facing Death and Eternity With Confidence: Questions and Answers Concerning Death” from Christian Faith Publishing author Doug Knox is an insightful read about death: in surrendering our worldly souls and achieving eternal salvation. This aims to show people that faith in God and His power to save us all will win over the greatest waves.

MEADVILLE, Pa. (PRWEB) April 11, 2019 -- “Facing Death and Eternity With Confidence: Questions and Answers Concerning Death”: a compelling rediscovery of the meaning of death and demise. “Facing Death and Eternity With Confidence: Questions and Answers Concerning Death” is the creation of published author Doug Knox, a pastor of Liberty Baptist Church in Williamston for eighteen years and a father of two.

Knox shares, “‘And as it is appointed unto men once to die, but after this,’ death is not a mystery; it is a fact. The mystery is what comes after death? Is death the end? Will we cease to exist? Is there an afterlife, and if there is, what are the dead doing? The questions are numerous and the answers are few, that is, credible answers that give hope to the survivor and to those who are facing death’s valley. If we could only know what happens after death, where the dead are, and what they are doing, then the fact of our death and the loss of a loved one might be a little easier to bear. Is there any reliable source that can bring hope and peace? Yes. Everybody has an opinion, but Jesus Christ has the answers and they are found in the Word of God. He knows all about death: its origin, the sorrows acquainted with it, and the separation which it involves. Everything unknown to man is known by Him. Every fear has been conquered and every enemy has been banished because He died and was resurrected from the dead. He is more than the bridge over troubled waters. He is the Captain of every believer’s vessel, and He guarantees you will safely reach the other side.”

Published by Christian Faith Publishing, Doug Knox’s new book is a comforting reminder to Christians that there is no need to fear death for God will welcome those who believe in His grace with wide open arms.
