Winnifred McKoy’s Newly Released “Do You Know Who You Married?: An Unadulterated True Story” Is a Heart-Wrenching Memoir on Loyalty, Trust, and Infidelity

“Do You Know Who You Married?: An Unadulterated True Story” from Christian Faith Publishing author Winnifred McKoy is a piercing true story about a woman’s painful experiences with deception and shattered trust both in church and in personal life.

MEADVILLE, Pa. (PRWEB) April 12, 2019 -- “Do You Know Who You Married?: An Unadulterated True Story”: a cutting reflection on the lies of the wicked one, is the creation of published author Winnifred McKoy, a devoted Christian whose faith was planted and nurtured by her grandmother. She holds a bachelor’s degree in behavioral science and a master’s in mental health counseling.

Winnifred writes, “This book was written out of love and pain. In addition to being frustrated of the blindness and lawlessness that is swallowing up peoples’ lives within the church, ‘Do you know who you married?’ is a question everyone who has a spouse should ask. Do you really know? After witnessing Satan’s agent masquerading herself in the church as a Christian, the Holy Spirit had Winnifred begin taking notes of what was taking place in her midst. This material is only a synopsis of what was happening in that specific church.”

Published by Christian Faith Publishing, Winnifred McKoy’s new book is a staggering expose on the devastating effects of deceptive ploys and its ripple effects across an individual life and a community.

Winnifred shares her story to highlight the need for increased vigilance within the church and within one’s dealings with people, even if they claim to be Christian, for as she found out the hard way, the angel of darkness often masquerades as an angel of light.
