5th Annual FinTech Summit, SkiTech, Sponsored by Payscape, Attracts Industry Leaders

Exclusive gathering for FinTech leaders Across the U.S.

BIG SKY, Mont. (PRWEB) April 12, 2019 -- SkiTech, a unique event for payments and financial services innovation, just completed its fifth annual gathering on February 10 – 12 in Big Sky, Montana.

The event brought together C-Level executives in the payments, banking and FinTech industries. Attendees and speakers were from award-winning companies such as Stifel, NMI, Sun Trust, Apple, Vantiv, BluePay, Propay, Womply and more.

The agenda included innovative and thought-provoking discussions for enhancing the financial technology (FinTech) category in the payments space. Discussions included a panel with two CEOs that have built their public companies from the ground up.

“Year after year, SkiTech has played a pivotal role in creating opportunities for attendees in FinTech,” said Jeremy Wing, Co-Founder of SkiTech and Chairman at Payscape. “We are proud of that fact, and we are looking forward to continuing to contribute to the growth of this industry.”

SkiTech included exciting events such as the annual downhill skiing competition, daily dinners, networking events, ample skiing time and a competitive dodgeball tournament, a favorite among attendees.

Special thanks to sponsors: Infinicept, Payscape, Brave Cave Leighton Paisner, Keefe, Bruyette & Woods, and i3 Verticals.

About SkiTech

SkiTech is an annual gathering of C-level executives in the payments and financial service industry. The group of individuals are at the forefront of innovation for connected commerce and have expertise in mobile, retail, marketing services, data, banking and technology. In just four years, SkiTech has fundamentally disrupted the standard industry conference and created an environment where operators have the ability to conduct meaningful conversations in a casual environment with a finite group of attendees, responsible for billions of dollars in revenue and limitless innovation.
