Vaden of Beaufort Announces Educator Everyday Hero for February 2019

Local dealership Vaden of Beaufort revealed their Educator Everyday Hero for the month of February. Each month, the Vaden Automotive Group member will honor 3 people nominated by the community as an Everyday Hero.

“I nominated William Love Moore, my husband, as my Everyday Hero,” said Carolyn Moore. “He is an educator with the Beaufort County School District. He goes over and above every day while working with his students and colleagues and tries to be a good role model for all the students at Bluffton Middle School, not just the eighth graders he teaches.”

The Vaden of Beaufort “Everyday Hero” program will honor three individuals every month during 2019 via nominations presented from the community per the following categories: First Responder, Military and Education. Each monthly winner will receive a customized desk plaque and a check in the amount of $100 from Vaden of Beaufort.
