“The Christian Journey” from Christian Faith Publishing author Norma D. Wilson, is an insightful read filled with instruction and answers to overcoming losses, redefining one’s life and growing into the person worthy of God’s grace and His Kingdom.

MEADVILLE, Pa. (PRWEB) April 30, 2019 -- “The Christian Journey”: a powerful compendium bound with messages that makes one think deeper and eventually learn to grow spiritually by understanding what comes around in one’s Christian life. “The Christian Journey” is the creation of published author Norma D. Wilson, a widow who was married for forty-eight years with all the tests, trials, and troubles that she faced along life’s way. She has served the Lord in ministry for thirty years and is a certified minister with the Evangelical Missionary Church of Canada. She teaches people how to overcome life’s hurts and pain and walk in the fruit of the Spirit, the character of Christ (Galatians 5:16–23). Her deepest passion is helping couples and individuals to walk in God’s love

Wilson shares, “The Christian Journey equips believers to fight the good fight of faith, and look like Jesus in thought, word, and deed. What is life all about? Life is about the journey: It is a journey of change and letting go. One of reward, blessing, and victory. It is a journey too few takes, but the rewards are beyond measure. It is my deepest desire that this journey will help you to change any part of your life that needs changing, that you will learn to let go and let God be in charge, and that you will grow into the image and likeness of Jesus. Please take the journey. Jesus needs you.”

Published by Christian Faith Publishing, Norma D. Wilson’s new book is an inspiring read that will equip the readers in courageously facing whatever life gives and take on whatever failure or defeat that will come. Let Him take charge of His children’s spiritual growth, for this is the Lord’s way of shaping His people into the likeness of Him.
