Cubacel bonuses for international top ups between April 29 - May 4, on HablaCuba.com.

ATLANTA (PRWEB) April 29, 2019 -- The end of April brings great news to Cuban expats: a new Cubacel promo that boosts their international top ups to Cuba. The reloaded campaign is valid between April 29 - May 4 and looks as follows:

- Send 175 CUC for 75 CUC
- Send 105 CUC for 45 CUC
- Send 35 CUC for 15 CUC

The promotional balance can be used only for local and International calls and SMS (Including SMS entumóvil). However, the bonus does not apply to email service, MMS or mobile data service (data from mobile phones), the main balance will be deducted. So the promo helps Cubans enjoy both calls and internet, since the main balance can be used for activating 3G plans, whereas the bonus can be used for calls and texts.

Besides sending top ups, customers can also recharge their family’s and friends’ Nauta accounts, in order to help them gain access to the internet. Or, if they prefer calling, they can also use HablaCuba.com’s calling services. Customers can place their calls:
From any landline, mobile or even payphone in the world, through access numbers.
Through the smartphone app called KeepCalling, available for iOS and Android.
The rate for international calls to Cuba is 69.9¢/min, for both landlines and mobiles, and the cost of a text message is 7¢.

All services HablaCuba.com offers revolve around the website’s mission, which is to bring people together, no matter the distance, because no distance is too long if people stay connected.
