BOSTON (PRWEB) April 30, 2019 -- MaidPro is pleased to announce that it is one of only 97 franchises to be named on Franchise Business Review’s 2019 Top Low-Cost Franchises list. Brands on the list had to have high franchisee satisfaction and an investment of under $100,000.

MaidPro and other top low-cost brands were chosen for the Franchise Business Review (FBR) list based on surveys by thousands of franchisees representing over 150 low-cost brands. Franchisees were surveyed about their franchising experience in critical areas such as training and support, operations, franchisor/franchisee relations, and financial opportunity.

“One of the most common myths around buying a franchise is that it’s too expensive. What most people don’t realize is that there are many low-cost opportunities available that can provide the satisfaction and perks of business ownership, without requiring a huge financial investment,” says Michelle Rowan, president and COO of Franchise Business Review. “The low-cost franchises that made this year’s list have all been rated highly by their franchisees and are excellent options for entrepreneurs considering franchise ownership.”

MaidPro President Richard Sparacio said, “We put a lot of time and effort into ensuring that our franchise system remains affordable while, at the same time, developing technology, tools and processes that set up our franchisees for success. So, it’s very rewarding to be named on this elite list, especially since great feedback from our franchisees put us there.” Visit FranchiseBusinessReview.com to see the full list of 2019 Top Franchises.
