PHILADELPHIA (PRWEB) May 09, 2019 -- The team at Williams Cedar is pleased to announce that two of their partners have been honored by Super Lawyers for 2019. This designation is just one example of the many notable recognitions for the firm. For over 25 years, attorneys at Williams Cedar have been fighting for those harmed by negligence, discrimination, and corporate bullying.

Super Lawyers selects attorneys through a combination of peer nomination, peer review and independent research. The honors are bestowed on a state-by-state basis and are divided by area of law practiced. Attorneys are chosen for the annual list using Super Lawyers’ patented selection process. The goal is to provide the public with a comprehensive list of exemplary attorneys who practice in all areas of law.

Gerald J. Williams has been recognized by Super Lawyers each consecutive year since 2006. His prestigious career has spanned more than three decades. Mr. Williams focuses his practice on toxic tort and environmental litigation, civil rights and discrimination, sexual abuse by clergy claims, and whistleblower actions. In addition to his recognition by Super Lawyers, he received the AV Preeminent rating by legal publisher Martindale-Hubbell, the highest rating possible.

In 2005, he was named a Rising Star and then subsequently a Super Lawyer in 2009, 2012 - 2015, and from 2017 – 2019.
