Updates To ezPaycheck Software Enables Trucking Companies To Have An Edge Over Competitors

Updated ezPaycheck payroll software will assist trucking companies streamline and maximize team member performances. Download and test drive it at no risk or obligation at halfpricesoft.com

HOUSTON (PRWEB) May 13, 2019 -- The trucking industry has grown by leaps and bounds and Halfpricesoft.com has accommodated this growth by updating ezPaycheck to handle payroll, in-house for less. Trucking companies across the US. can now be process payroll in the following ways: hourly-pay, salary, mileage, bonus, commission, tips and pay-by-load for employees, contractors and drivers. The software can also easily handle per diem and other reimbursements.

“The latest ezPaycheck payroll software from Halfpricesoft.com accommodates small to midsize trucking companies in processing payroll and filing payroll taxes, in-house in order to generate more revenue.” said Dr. Ge, the Founder of Halfpricesoft.com,

ezPaycheck software is designed to automate paycheck processes to reduce the time spent on running payroll. The software’s graphical interface leads users step-by-step through setting up employee information, importing data, calculating payroll - including calculation of federal, state and local taxes; deductions for Medicare, insurance and 401(k) plans; and printing paychecks. Potential customers can download and try this software with no obligation and no cost at https://www.halfpricesoft.com/index.asp.

Small businesses get the following features in ezPaycheck payroll software:
- Supports multiple differential pay rates such as: hourly, salary, night shift, by piece, by load, or by mileage rates for employees
- Supports multiple accounts at no additional charge
- Supports network access for 2-10 users
- Supports daily, weekly, biweekly, semimonthly and monthly payroll periods. Features report functions, print functions, and pay stub functions
- Prints miscellaneous checks as well as payroll calculation checks
- Prints payroll checks on blank computer checks or preprinted checks
- Automatically calculates federal withholding tax, social security, medicare tax and employer unemployment taxes
- Includes built-in tax tables for all 50 states and the District of Columbia
