Lawrence Grott’s Newly Released “The Purpose for the Passion” is an Inspiring Spiritual Definition of a Holy Marriage

“The Purpose for the Passion” from Christian Faith Publishing author Lawrence Grott is an enlightening view of marriage from a biblical perspective and its symbolic significance for the church as the Bride of Christ.

MEADVILLE, Pa. (PRWEB) May 13, 2019 -- “The Purpose for the Passion”: an uplifting case for holy matrimony, is the creation of published author Lawrence Grott, a born-again speaker, men’s small group facilitator, and advocate for abstinence and physical and spiritual purity.

Lawrence writes, “Have you ever asked yourself why God created marriage with its biblical definition? Growing up, I’ve just accepted the fact it’s a natural part of life for most adults. Through a combination of communication and observation over the years, I’ve learned it’s a preferential environment to raise children. Coming from a Catholic background prior to getting saved, I was taught that you needed to get married to have sex and it not be a sin. Being saved, I obviously still agree with these things. However, being in agreement with something doesn’t tell me why it’s the way it is.

“Is there a deeper meaning to our day-to-day view of marriage? The answer to that question is a resounding yes! This question put me on the path of discovery through the study of scripture. Finding the Gospel of Christ tucked away within biblical marriages and noticing the specific roles given to husbands and wives are revelatory concerning the relationship between Jesus and the church. The biblical marriages we read about in our Bibles speak to every aspect of Christ. You’ll be surprised to discover modern Christian marriages speak of Christ the same way.”

Published by Christian Faith Publishing, Lawrence Grott’s new book is a helpful take on an underexamined but crucial aspect of adult life.

Rather than providing relationship advice or marriage counseling, Lawrence instead offers a broader picture and a compelling case for how holy union between human beings on earth is prophetic of Christ’s Second Coming, a perspective that when taken seriously will help align married Christian couples to their responsibilities and purpose.
