Patrick Jay Clay’s Newly Released “From Darkness into the Light” is a Powerful Tale of Two People Who Lived in Absolute Darkness but Emerged with the Hope of His Light

“From Darkness into the Light” from Christian Faith Publishing author Patrick Jay Clay is a riveting story of David and Timothy; two lives who fell in the depths of darkness yet eventually, they each found their light as they build their own personal relationships with Christ and His people.

MEADVILLE, Pa. (PRWEB) May 13, 2019 -- “From Darkness into the Light”: a captivating transformation from a life in the pits of darkness to a newfound grace brought by God’s divinity. “From Darkness into the Light” is the creation of published author Patrick Jay Clay, an author who always had a desire in his heart to write a book to show his passion for the Bible and help others understand the Bible. He is currently in his seventies and has other books in mind to write as well. Patrick has a passion for sharing the knowledge God has given him.

Clay shares, “At one point or another all of us have been stuck in what seems to be an unending dark tunnel of fear and uncertainty. We experience problems that seem to have no end. It is as if we are walking in the Darkness. This book is a true story of two people, one who landed in prison, the other plotting how to end his young life.

In the book From Darkness into the Light Patrick Jay Clay reveals how powerful the Word of God is, especially for those walking in darkness; you will see changes made in his son who landed in prison, changes that brought him and others out of the darkness of sin and desperation to a life in the light of Christ. The second part of this book is how one teenager unknowingly intervened and prevented the planned suicide of another, and how other lives were changed because of that one interaction. The final chapter is the concert that brings it all together.”

Published by Christian Faith Publishing, Patrick Jay Clay’s new book is an important reminder of hope; for a person must never forget that God’s constant presence will guide a lost soul towards His light once he embraces faith—even when life seemed like the only way out is below.
