David Lyons’s New Book “The Boy Becomes a Man: Confessions of an Honest Politician” is an Autobiographical Reflection on the Unique Experiences that Have Shaped His Life

Recent release “The Boy Becomes a Man: Confessions of an Honest Politician” from Page Publishing author David Lyons is a memoir of his childhood in Georgia and his experiences with racism, incarceration before the age of ten, sexual molestation, and other events that threatened to derail the promise of a highly intelligent young man from an impoverished family.

IRVINGTON, N.J. (PRWEB) May 13, 2019 -- David Lyons, a Georgia native and twenty-year councilman in Irvington, New Jersey who was elected to the New Jersey Elected Officials’ Hall of Fame in 2017, has completed his book “The Boy Becomes a Man: Confessions of an Honest Politician”: a remarkable true story of one man’s journey from a poor, hardworking Georgia boy through failed relationships, sexual addiction, and health problems to eventual success as an elected official who earned the deep respect of his New Jersey community.

David shares, “After visiting my hometown of Thomaston, Georgia, in summer of 1991, I took a train back to New York and met two guys whom I started conversing with about our various lives. One guy was into artwork, and all I remember is that his name was Maurice. The other guy, our token white guy, was an author named Philip Lee Williams (Perfect Timing, All the Western Stars, The Song of Daniel). As we spoke, I told Philip about my desire to write a bio, and he offered me advice about the publishing business, as well as jokingly telling me that I was pretty young for a bio. The most important thing he said was to “never give up.” I kept that thought in mind, and so here we are. I also kept the letters that he wrote me, and I’ve read them often through the years.

Thanks, Philip Lee Williams. I’m not so young anymore, and I didn’t give up.

I hope you, the reader, can take something from my experience and my book. It’s a true reflection of my experience and my life.”

Published by New York City-based Page Publishing, David Lyons’s book is an engrossing personal account of one man’s journey through myriad challenges to fulfillment and success.
