Recent release “Street Kid to Top Cop” from Page Publishing author Robert Magone is an engrossing autobiography of a Brooklyn childhood in a neighborhood where the teen social life was dominated by gang affiliation, his calling to a career in law enforcement, and his retirement as a celebrated detective, sought-after speaker, and international police trainer.

ORMAND BEACH, Fla. (PRWEB) May 13, 2019 -- Robert Magone, a retired detective with over twenty-eight years of experience in law enforcement and private security work currently residing in Ormond Beach, Florida with Roseann, his wife of fifty-two years, has completed his book “Street Kid to Top Cop”: an eye-opening reflection on the realities of law enforcement in New York City in the late twentieth century.

This is a story of a kid that grew up on the tough streets of Brooklyn, New York. As a teen in the early fifties, his choices were limited. Most kids in the neighborhood turned to gangs and drugs. Bob Magone made a different choice. He pursued a career with the New York City Transit Police Department.

Follow his journey to discover the many cases that lead to a street kid becoming a for-most expert in pickpockets, con games, and credit card frauds. Rising through the ranks to Detective, Bob Magone spent twenty-three years fighting crime in New York City. He became a sought-after speaker and international police trainer, appearing on radio and TV to share his crime-fighting techniques.

Published by New York City-based Page Publishing, Robert Magone’s book is the compelling memoir of a decorated New York City detective.
