New Autobiography Narrates One Man’s Experiences As A Soldier And A Prisoner Of War

Jonathan Christopherson marks his publishing debut with the release of ‘Escape from Hell’

In a poignant and candid recollection, Christopherson narrates his journey starting with his Army enlistment in 1966. He takes readers to his training in hand-to-hand combat and in learning to fire several different weapons. Finally, along with 37 soldiers, he flies out to Vietnam and lands on the battlefield on his birthday.

From then, Christopherson describes “going through hell” every step of the way. The author explains his contributions to the War, the different things that they went through, the battles and the courage they had. He also details the good and the bad times, and the different missions that they had.

Written by a prisoner of war who went through nightmares and flash backs, “Escape from Hell” tells of the bravery of an 18-year-old man who withstood the torment of POW camp, escaped, survived the jungle and came home. The author hopes that with his story, readers get to understand the reality of a war.
